

Why Attend POWER-GEN International Conference in December?

Dixie-Southern is happy to be taking part in the Power-Gen International Conference in Orlando, FL, from December 13 - 15. If you are attending too, we invite you to come see our exhibit at Booth #3444!

For 40 years, Dixie-Southern has been a leader in custom steel and stainless steel fabrication. Our customers rely on us for everything from ASME pressure vessels, stacks and steel tanks to large diameter pipe, steel silos, hoppers and towers.

Why Attend Power-Gen International?

Besides having the chance to meet with Dixie-Southern, there are plenty of reasons to attend Power-Gen International. It's the largest event of the year for the power generation industry, and the Orange County Convention Center will be filled with industry leaders, presenters and exhibitors from across the industry. You will get a comprehensive understanding of where power generation industry is at, where it's headed and what you can do to prepare for the future.

- **Join** 20,000 attendees at the World's Largest Power Generation Event
- **Hear** from noted speakers as they discuss complex problems facing the industry and how to solve them
